ICCS 2020

2020 IEEE 2nd International Conference on Circuits and Systems

2020年第二届IEEE电路与系统国际会议

www.iccs.org

Chengdu, China | December 10-13, 2020

2020年12月10-13日，成都

ICCS 2020 will take place in Chengdu, China, during Dec. 10-13, 2020. ICCS 2020 is co-organized by University of Electronic Science and Technology of China and Sichuan Institute of Electronics, technically sponsored by Sichuan University, China, Singapore Institute of Electronics, National Institute of Astrophysics, Optics and Electronics, INAOE, Keio University, Japan, The University of Manchester, etc.

2020年第二届IEEE电路与系统国际会议将于2020年12月10-13日在中国成都召开。本届会议由电子科技大学和四川省电子学会联合举办，四川大学，墨西哥国家天文物理，光学和电子学研究所，新加坡电子学会，日本庆应义塾大学，英国曼彻斯特大学等单位协办。

Keynote Speakers / 主旨报告

Prof. Mohamad SAWAN
Westlake University, China
IEEE Fellow

Prof. Vladimir Terzija
The University of Manchester, UK
IEEE Fellow

Invited Speakers / 邀请报告

Prof. Jayakumari.J
Mar Baselios College of Engineering and Technology, India
Senior Member of IEEE

Prof. Wang Kang
Beihang University, China
Senior Member of IEEE

Prof. Xiaohang Wang
South China University of Technology, China

Prof. Hui Chen
University of Electronic Science and Technology of China
Member of IEEE

Tutorial Speakers / 专题讲座

Prof. Nan Qi
University of Chinese Academy of Sciences, China
Member of IEEE SSCS, CAS and OSA

Prof. Maliang Liu
Xidian University, China
Huashan Scholar Distinguished Professor of Xidian Univ.

Dr. Yuan Gao
Southern University of Science and Technology, China

Dr. Yanlong Zhang
Xi'an Jiaotong University, China

Conference Proceedings / 会议论文集

Accepted and registered full papers will be published by **IEEE**, and will be submitted for **EI Compendex, Scopus,** etc
* ICCS 2017 - ISBN: 978-1-5090-6480-9 | IEEE Xplore Online | EI Compendex & Scopus index
接受并注册的全文将由IEEE出版会议论文集并提交**Ei核心和Scopus检索**

Special Issue / SCI 特刊

Special Issue on Circuits and Systems for Internet of Things (IoT)
Excellent papers will be recommended to be published by Microelectronics Journal (ISSN: 0026-2692)
CiteScore: 2.7 Impact Factor: 1.405
Indexing: **SCI, EI Compendex, Scopus**
优秀论文将推荐出版到Microelectronics Journal (ISSN: 0026-2692) **SCI，EI核心和Scopus检索**

Workshop / 专栏征稿

Workshop on Circuits and Systems for Artificial Intelligence (AI) call for papers, and selected papers will be published by Journal of Electronic Science and Technology (ISSN 1674-862X), and indexed by Scopus.
面向人工智能的电路与系统分会场火热征稿中，感兴趣的请直接投稿至JEST期刊

Submission Guideline / 投稿指南

Conference proceedings / 会议论文集
Online submission /在线投稿: http://confsys.iconf.org/submission/iccs2020
E-mail submission /邮箱投稿: iccs@academic.net
Workshop / 专栏征稿
Online submission / 在线投稿: https://www.editorialmanager.com/jnlest/default.aspx
Submission Deadline / 截止日期: October 05th, 2020

Topics Interested / 征稿主题

Analog signal processing
Analog circuits and filters
Switched capacitor and switched current techniques
Log-domain circuits

Visual signal processing and communications
Linear and nonlinear circuits and systems
Chaos and applications
Distributed circuits and systems
